

## 2025 Piedmont Region III Science Fair Winners

### SPECIAL AWARDS WINNERS

| AWARD                                    | NAME                 | SCHOOL                            |
|------------------------------------------|----------------------|-----------------------------------|
| American Psychological Association       | Isaac Soto           | Dorman Freshman Campus            |
| Association of Women Geoscientists       | Olivia Lawson        | Dorman Freshman Campus            |
| Lemelson Early Inventor                  | Nora Pennington      | Spartanburg Day                   |
| Genious Olympiad                         | Gavin Kuronya        | James F. Byrnes High              |
| Genious Olympiad                         | David Feig           | Dorman Freshman Campus            |
| NASA Earth Science                       | Olivia Lawson        | Dorman Freshman Campus            |
| NOAA Award                               | Sohana Jit           | Green Charter of Spartanburg      |
| Office of Naval Research - Middle        | Lowe Lindsey         | L.E. Gable Middle                 |
| Office of Naval Research - Middle        | Michelle Hameed      | Spartanburg Day                   |
| Office of Naval Research - Middle        | Natalie Greeve       | Classical Conversations Fort Mill |
| Office of Naval Research - Middle        | Jordi Vasquez-Perez  | Fairforest Middle                 |
| Office of Naval Research - High          | Gavin Kuronya        | James F. Byrnes High              |
| Office of Naval Research - High          | Olivia Lawson        | Dorman Freshman Campus            |
| Regeneron Biomedical Science             | Gracie Buttimer      | Dorman Freshman Campus            |
| Water Association                        | Natalie Greeve       | Classical Conversations Fort Mill |
| Water Association                        | Holden Smith         | R.P. Dawkins Middle               |
| Water Association                        | Kaleb Guzman         | Fairforest Middle                 |
| Water Association                        | Nora Pennington      | Spartanburg Day                   |
| US Air Force                             | Hannah Henson        | James F. Byrnes High              |
| US Air Force                             | Olivia Lawson        | Dorman Freshman Campus            |
| US Air Force                             | Noelle Gale          | James F. Byrnes High              |
| US Air Force                             | Isaac Soto           | Dorman Freshman Campus            |
| US Metric System                         | Nahomi Megana-Blanco | Dorman Freshman Campus            |
| Yale Science and Engineering Association | Gavin Kuronya        | James F. Byrnes High              |
| Converse University Emerging Scientist   | William Harris, V    | Rock Hill High                    |

|                                               |            |                        |
|-----------------------------------------------|------------|------------------------|
| Western Carolina American<br>Chemical Society | Isaac Soto | Dorman Freshman Campus |
|-----------------------------------------------|------------|------------------------|
